

CREAMETAL NEWS

CREAMETAL AG NEWSLETTER NOVEMBER 2024

Innovation, expertise and commitment - that's what makes CREAMETAL AG special! In this newsletter you will learn all about:

- ▣ **CREA-WHEEL straightening machine:** Now also straightens round, square and flat bars..
- ▣ **Asphalt screws:** Installation solution for asphalt.
- ▣ **Interview:** Mario Weber on the potential of the skilled trades.
- ▣ **EuroBLECH 2024:** The trade fair highlights.

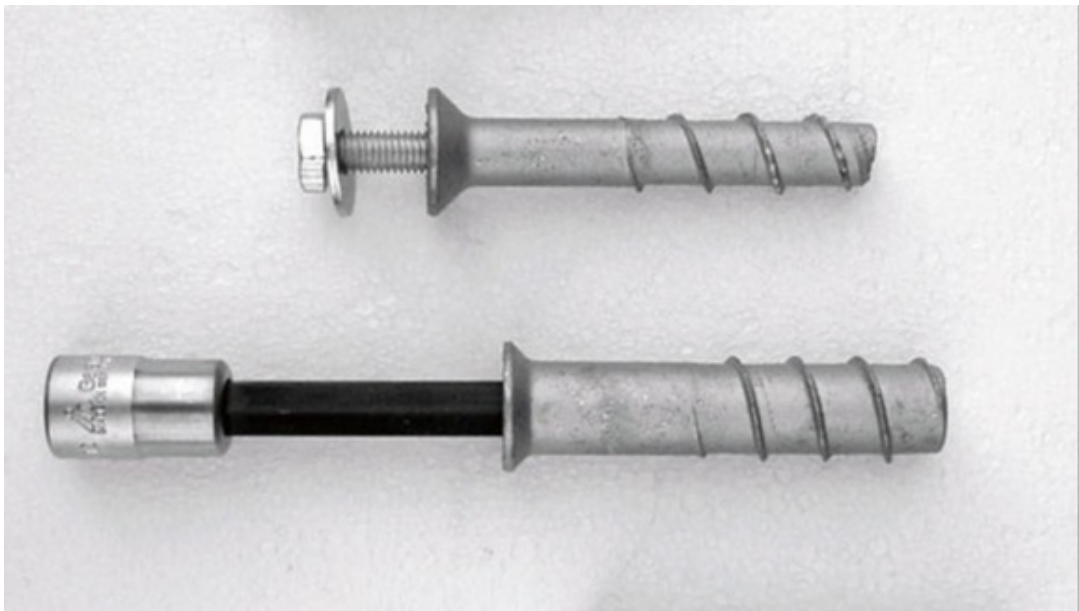

We wish you a happy and peaceful festive season and a good end to the year!

The new CREA-WHEEL straightening machine

Discover our latest development: the straightening machine CREA-WHEEL now straightens round, square and flat bars.

Successful appearance at EuroBLECH 2024

We were represented at EuroBLECH 2024 in Hanover with new products and proven solutions. And presented the further development of the CREA-WHEEL, which now straightens round, square and flat bars. It was an inspiring exchange with trade visitors from all over the world!

Some impressions of the trade fair
